Dear Home Seekers:

Thank you for inquiring about the Town of Islip Community Development Agency's Affordable Housing Program. Enclosed you will find the Agency's Affordable Housing Program application, guidelines and procedures for upcoming lotteries. Please review the requirements carefully to determine if you qualify.

Since 1976, the CDA has implemented many programs targeted toward first-time home buyers. Under these programs, we have successfully rehabilitated or constructed and provided the homes and mortgages for over 1100 first-time home buyers.

The homes have either been extensively renovated or are newly constructed, using the most recent energy conservation standards and are in several communities throughout the Town.

We will assist eligible applicants with low interest rate financing, low down payments, no closing costs, and **no application fee**. Houses will be available for **direct sales or rent with the option-to-buy**. Mortgage subsidies may also be available to those who qualify.

Don't miss this opportunity to have a beautiful home of your own that you can afford.

If you think you meet the minimum qualifying requirements, please complete the enclosed application in full, sign it and return it to: Robert M. Kuri, AHP Director, Town of Islip CDA, P.O. Box 5587, Bay Shore, NY 11706.

Once your application is reviewed, you will be notified of your preliminary eligibility status. If eligible, you will be entered into the next lottery. After the lottery, we will schedule an appointment with you to review all of the "Additional Required Documentation" as specified in this application.

If you have any questions regarding the program or application requirements, please call the CDA's Affordable Housing Support Staff at (631) 665-1185.

Yours sincerely,

James H. Bowers

No application fee is required in order to apply to the program! Please follow the steps below:

The following three (3) items only are required in order to apply to the program and receive preliminary eligibility status:

1. Completed and signed Affordable Housing Application
2. Federal and State Income Tax returns, included Form(s) W-2 for the past 3 years
3. Verification of Employment, four (4) consecutive pay stubs from your employer, for all employed members of the household and all other sources of income.

THE PRE-SCREENING PROCESS

As preliminary application packages are received, reviewed and evaluated, an applicant database will be established. All applicants that submit applications will be notified by mail of their preliminary status, and meetings will be scheduled with applicants who appear to be eligible.

After the items above are submitted to the CDA, any changes to an application must be requested in writing and be approved by the CDA's loan committee. Please note that:

1. Any incomplete or illegible applications received will be rejected and returned.
2. Only one application is allowed per household per year. Applicants who submit more than one application will be disqualified.
3. Applicants who do not meet the established guidelines and eligibility criteria will be disqualified.
4. Applicants who do not meet the requirements or are unable to provide us with the necessary information will be informed of the reason(s) for their ineligibility.
5. All applicants who meet the eligibility criteria according to the information provided to us with the preliminary application will be informed of the date, time, and place of the lottery.
6. If you do not meet the program guidelines or are ineligible for the Affordable Housing Program, you are encouraged to apply again, when conditions change. The CDA housing program staff will be available to assist with the application, answer questions or provide any assistance regarding eligibility.

Step 2 THE LOTTERY and the Full Documentation Required

Affordable Housing Program Lotteries are expected to be held every year, depending upon the number of application received, and number of houses available.

Lottery is open to all, with no preferences to families where the applicant or co-applicant lives or works in the Township of Islip.

All names included in the lottery will be drawn that day.

After the lottery list has been created, we will call in the applicants in the order drawn. The CDA's administrative staff will thoroughly explain the program and the required additional documentation.

If all documentation is acceptable and you are finally approved by the CDA Loan Committee, we will then show and offer the first available homes that are suited to your family size and income. We generally match larger families with larger homes and higher income families with higher cost homes and so forth.

Type of home purchase options available

Homes offered through the Affordable Housing Program will be sold at appraised value.

The purchase price and annual real estate property taxes of each home vary based upon location, square footage and other features of the home.

The CDA provides the mortgage financing towards the purchase of the home. As a result, the home buyer benefits by:

- * Having low interest financing, currently at 4% with no points
- * No CDA closing costs. (Buyers are responsible for the closing fees, such as: title, attorney fees, establishment of a tax escrow account and home owners insurance.)
- * Exemption from NYS mortgage tax
- * No PMI (Private mortgage insurance) up front and no monthly premium fees.
- * A rent with option to purchase agreement for buyers that lack the funds for the down-payment and closing fees.

DIRECT SALES

The Agency may offer you the opportunity to purchase a home and will assist you with the financing. The terms may include a secured mortgage subsidy that will lower the net purchase price. The result is a lower net price, on which we will require a down payment of at least five (5%) per cent. In addition, we may hold a 30 year mortgage at a low interest rate. The mortgage loan has no points or private mortgage insurance. All families who are offered a home will be required to complete a Homeownership course. When the Agency underwrites the indebtedness; the closing costs will be much less than if obtaining conventional financing.

To qualify, you must have:

1. At least \$10,000 - \$15,000 of your own funds (some of which can be in the form of a monetary gift) available to cover the down payment.
2. An additional \$9,500 - \$10,500 for closing fees. These funds can be in form of a monetary gift.

RENT WITH THE OPTION TO BUY

If you are unable to participate in the direct sales program because you lack the necessary funds for the down payment and closing costs, the Agency may offer you the rent with option to buy alternative. This program consists of a rental period of 12 months. A portion of each month's rent will be held in an escrow account for the down payment and closing costs. At the end of the rental period, you will have sufficient funds to provide an acceptable down payment and all anticipated closing costs. You will then be able to purchase the home as described above, providing that you have complied with the lease-purchase option agreement, including having made timely payments, completed home buying counseling and properly maintained the home.
